

NEXORA TILES

Marble and Stone Collection

GLOSSY/CARVING

600X1200MM

Design Your Own Statuesque Canvas

Where High Art
Meets High Luminosity

UNCOMPROMISING BRILLIANCE

This collection redefines luminosity with an advanced, deep-surface polishing process. Crafted to stay brilliant and white forever, these surfaces feature curated, delicate vining that transforms any floor or wall into a masterpiece of architectural purity. It is the definitive choice for sophisticated luxury.

GLOSSY

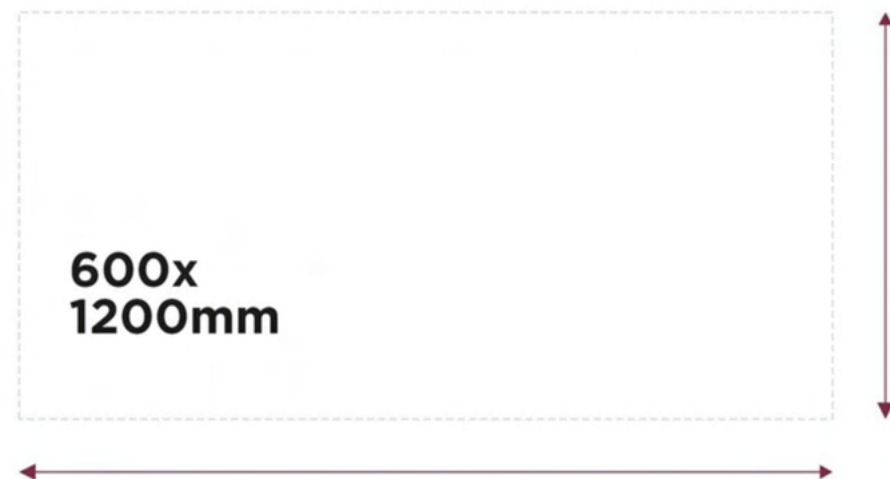

A celebration of clarity and shine. This finish brings a high-definition depth to every tile, ensuring your floors remain a centerpiece of elegance. It is designed for those who seek an expansive, bright, and ultra-modern aesthetic in their living spaces.

CARVING

Where technology meets organic beauty. The Carving finish introduces a unique depth of character, using precision engineering to highlight the stone's natural flow. It delivers a soft, premium touch and a seamless visual continuity that is unmatched in refinement.

Redefining Modern Interiors With The Grace of Stone

We bring the true essence of marble into every 600x1200mm tile with graceful vein detailing and smooth natural depth. Each surface reflects luxury, rich movement, and timeless stone character, delivering an authentic marble feel with modern durability and easy maintenance.

Refining Life With Safety and Style

Engineered To Endure The Test of
Time While Remaining Hygienic.

Durability

Engineered to endure
the journey of time.

Easy to clean

Effortless maintenance for
a pristine environment.

Scratch resistance

Defending surfaces
against the rigors of life.

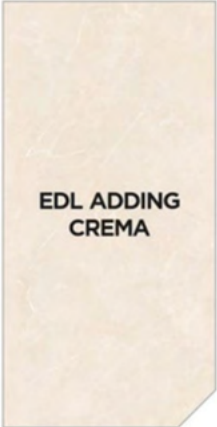

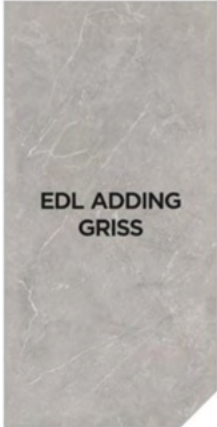

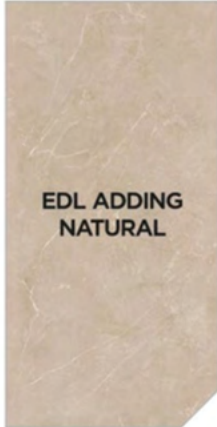

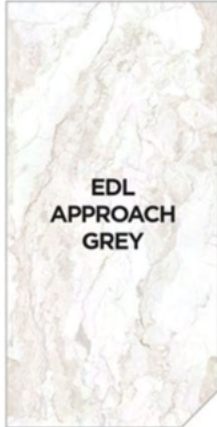

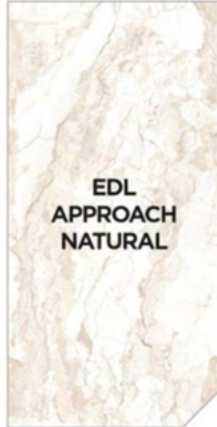

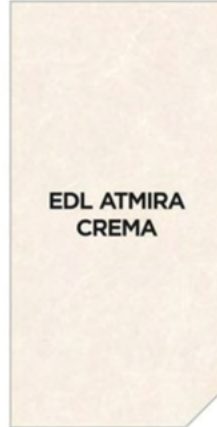

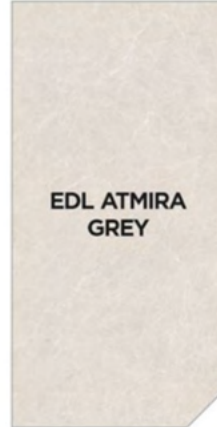

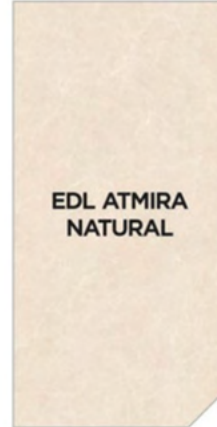

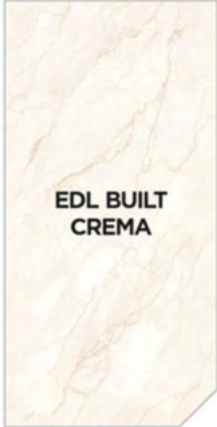

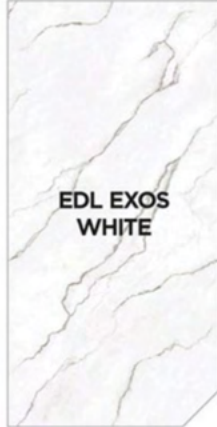

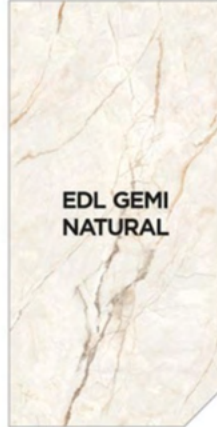

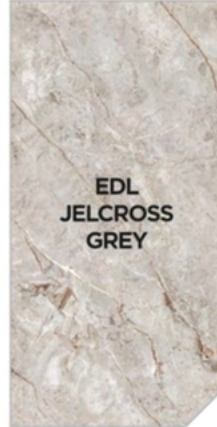

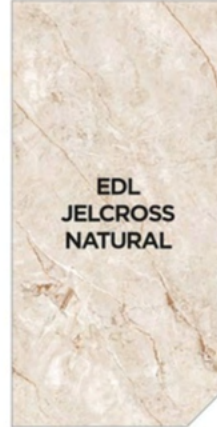

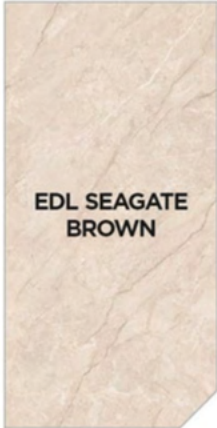

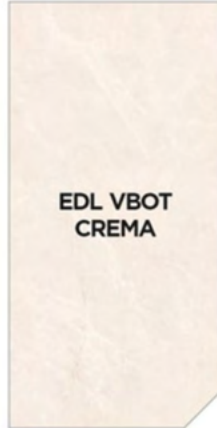

Versatile use

Tailored for every residential
and commercial vision.
