AQUAGLIDE

Introducing the
Future of Bathroom Hygiene

Say goodbye to the hassle of cleaning. enjoy a design that's as smart as it is clean. This sleek innovation transforms your bathroom into a sanctuary of convenience, style, and cleanliness, ensuring that every detail is perfectly crafted for you.

Flush Technology

TORNADO

The Tornado flush system utilizes dual powerful nozzles that generate a cyclonic rinsing action, ensuring maximum cleanliness. It significantly reduces waste buildup, keeping the bowl spotless with every flush. This high-efficiency system outperforms traditional toilets, offering a cleaner, more effective flush with just one action compared to multiple flushes.

SIPHONIC

The siphonic flush system, also known as the suction flushing system, operates by creating a narrow 'Q' shaped trapway. This design ensures a cleaner bowl with fewer skid marks, all thanks to advanced flushing technology.

SIPHONIC WITH TORNADO

The combination of siphonic and tornado flushing systems brings the highest level of hygiene to your bathroom. With this advanced and easy-to-maintain system, keeping your toilet clean is faster and simpler. We're introducing brand-new 4D and 5D flushing features for an enhanced experience.

WASHDOWN

The washdown flushing system operates on a simple principle—it uses the weight and gravitational flow of water from the toilet bowl. This efficient system helps conserve water effectively, as it incorporates dual flushing for optimal water usage.

Every Product Radiates
Brilliance And Purity.

High-tempered firing and
a hygiene-friendly
manufacturing process.

Utilizing A Fully Computerized,
Advanced Kiln Technology.

Water-saving
flushing system

Only the finest raw materials
are selected, with R&D ensuring
they are purified, tested, and
certified.

Anti-bacterial
glazed product.

For enhanced shine
and smoothness, eco-friendly
natural gas residues are utilized.

Soft closing seat cover
is a plus advantage.

Production methodology based
on ISI and ISO standards.

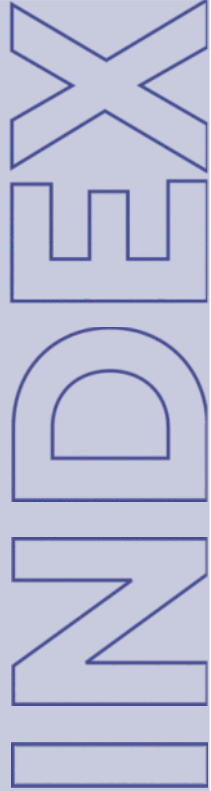

Every Product Radiates
Brilliance And Purity.

Key Features & Unique Qualities

Discover the future of sanitaryware with our cutting-edge fixtures. Designed with advanced technology, our products offer everything from water-saving solutions to smart features, transforming the way you experience comfort and convenience in your daily life.

WALL HUNG BASIN

As per shown in the picture, the rag bolt must be grouted into the cement/concrete wall. The bolts must be fixed to the cement/concrete wall. Allow setting & checking than install it using nut and washer.

COUNTER WASHBASIN

At the beginning

1. A skilled or experienced person should install counter lavatories.
2. Avoid using adhesive with this product.
3. Check the waste area and supply tubing if required.
4. Do not open the lavatory from its protective carton until you are ready for installation.
5. Please follow all local building and plumbing codes.

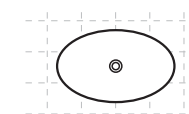

MATERIAL & TOOLS

Measure tape, Keyhole or saber saw, Hammer, Glasses, Rags or Paper toweling, Drill (1/2 dia. drill bit or larger), Pencil, sealant, sharp knife or scissors.

INSTALLATION OF LAVATORY

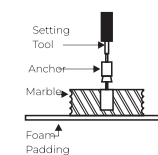

Please Note: Please install it in a way that future removal from underneath the counter top is possible without damaging the counter top.

1. Please check the desired location for clearance between the back splash, faucet, Fixture and cabinet.
2. Please cut the template.
3. Please carefully trace the template on the counter top directed.
4. Please mark the faucet hole centerline on the counter top.
5. Please drill a 1/2" pilot on the inside of the cut line.

For Wood Counter tops:

1. Mark and per-drill the wood screw holes at the locations shown on the template.
2. Waterproof any exposed areas of wood.

For Marble Counter tops:

1. Position the counter top upside down on foam padding to protect the surface. Mark and drill 3/6" holes 5/8" deep at the locations shown on the template.
2. Use a setting tool and hammer to secure the anchors.

For All Installations:

1. If the counter top has not been installed, install it at this time.
2. Drill the faucet holes according to the faucet installation instructions.
3. Install the faucet to the counter top according to the manufacture's instructions.
4. Install the drain to the lavatory according to the manufacture's instructions.

About Us

Prettyware is a premium sanitaryware brand committed to delivering superior quality, modern design, and long-lasting performance. We believe that a bathroom is not just a utility space, but a reflection of comfort, style, and hygiene — and that belief drives everything we create.

With advanced manufacturing technology and strict quality control, Prettyware offers a wide range of luxurious bathroom products designed to meet today's lifestyle needs. From elegant closets to high-performance sanitary solutions, every product is crafted to deliver durability, water efficiency, and flawless finishing.

Prettyware — Best Quality Matters a Lot.
